

Are You Ready To Claim Your Leadership Worth?

THE WORTHY LEADER RETREAT

for Women

A UNIQUE RESIDENTIAL PROGRAM
TO SHIFT FROM POTENTIAL TO MASTERY

5 - 7
OCTOBER
2023

HARMONY VALLEY
Janda Baik, Pahang, Malaysia

After thousands of coaching conversations, these questions surface:
Am I good enough?, Who can I become?, How can I be impactful and still remain true to myself?

We've found that many women leaders have yet to fully claim their inner worth and strength. With other senior women leaders, this unique retreat is designed for you to explore pivotal questions and connect with new leadership narratives that are fully your own.

Conducted in a confidential setting, you will come away knowing how to lead authentically, with integrity and purpose. You will be empowered to release whatever holds you back and supported to sustain your on-going growth.

Step into your leadership role anew, leading with full authenticity and confidence.

THE WORTHY LEADER RETREAT

In partnership with Maryanne Mooney, the author of *The Worthy Leader*, Innovative Formula is excited to invite you to *The Worthy Leader* residential retreat where you will explore your leadership maturity and expand your executive presence. We will introduce you to *The Worthy Leader Map* - a self coaching framework which can reveal your potential, connect you to your mastery and increase your positive impact. The map gives you a practical living system to navigate ambiguity, complexity and leverage possibilities.

In a beautiful, natural setting, away from your daily demands, take the opportunity to invest in yourself, and discover the unique impact you want to make.

Sign up now to claim your leadership worth! Places are limited.

OUR FACILITATORS :

**MARYANNE
MOONEY**

Maryanne is an international coach, speaker and author. Her purpose is to help leaders, teams and organisations release barriers and achieve unity. Her book "The Worthy Leader" connects leaders with how they can increase their positive impact. Her interest shifted from understanding what makes a good leader to a desire to increase the number of leaders focused on good. She has created a method to help them develop faster. She has worked in 5 continents with approximately 10,000 leaders & teams. The focus of her work is leadership, team & organisation development. Her experience includes building 2 market leading consulting firms. She has worked with organisations such as Microsoft, Mitsubishi, Department of The Prime Minister & Cabinet, Department of Premier & Cabinet (Victoria), The Supreme Courts in Australia & Singapore, The Urban List, PWC. She is also Board President for the Senhoa Foundation and a global facilitator for YPO, the world's largest CEO network.

**LILIAN
BEH**

Lilian is a seasoned facilitator and executive coach. Much of her work is centered around holding generative spaces for executives and teams to access themselves fully and make better sense of what's going on for them. She helps one to increase their capacity to resource themselves especially in times of change and transitions. She has lived in many countries around Asia, founded and expanded her people development organization across Malaysia, Singapore and Indonesia. Lilian co-led KEA, a non-profit marketplace community in Indonesia. In the last 18 years, Lilian has coached and facilitated leaders and founders to increase their impact on teams, families, organizations and communities. Lilian has worked with local and global clients across ASEAN. She also facilitates peer forums with YPO, the world's largest CEO network.
